_____)	DESTROYING RECORDS

COMES NOW the duly appointed trustee, Michael B. McCarty, through counsel, The Rigby Law Firm, and James Rigby, and replies to Judy McKinney’s Response to Motion for Order Destroying Records.

At the point in time when that motion was made the trustee believed he had a settlement of all outstanding matters in this case. That is now not the case. In addition, Ms. McKinney points out other reasons for maintaining the records. Therefore, the trustee will withdraw his motion to destroy records.
