In regards to: Western District of Washington Bankruptcy Case #: 06-14202-KAO

US Bankruptcy Court  
700 Stewart St./ Room 6301  
Seattle, WA 98101

Dear Sir or Madam:

BOISE COURT REPORTING INSTITUTE: BANKRUPTCY

I am filing an amended return to the original form I filed. I put the wrong date the debt started to accrue. I also found another accounting paper to go along with the supporting evidence. I am not sure which one has the correct accounting information on it. They were never able to explain it to us because our financial aid counselor had no background in accounting. I just want this to be correct and for you to have all of the information I have.

As stated in the previous letter, I am mostly concerned about the \$7500 not disbursed prior to the school closing. It was even more frustrating when I found that the school did not declare bankruptcy until November 27, 2006. What happened to that money? Why was the money not returned to Wachovia? This is FRAUD! I do not understand how all of that money could have just disappeared. It is clearly criminal and we are left to pay for a crime we did not commit!

Sincerely,

Cassandra A. Ramsauer
